Save the Dates and Call for Sponsors! 2025 New York Seafood Summit

Planning for our 2025 New York Seafood Summit is well underway. The 2025 summit will bring together seafood professionals (fishermen, aquaculturists, retailers, processors, chefs and more) and anglers fishing for food from across the regions to foster active communications and build productive relationships and collaboration throughout the state. The summit events are free to participants but rely heavily on grants and sponsorship to support them. Please consider supporting the New York Seafood Summit through donations and sponsorship today!

Monday, March 3, 2025

Cornell University AgriTech, Geneva, NY

Primary audience: Anglers fishing for food, baitfish producers, charter boats, and hatchery staff

Friday, March 28, 2025
